Payment Schedule and Information

Embarking on The Twelve Discipleship Program (The Twelve Experience NPC) is an exciting and transformative experience/program. To ensure a smooth journey, it's crucial to understand the financial commitments outlined in the program agreement. This brochure clarifies the payment policies, deadlines, and an outline of what your payments covers.

Payment Agreement

As part of The Twelve Discipleship program agreement, both parents/guardians and the student/team member agree to pay the full program fee on time. Adhering to the payment schedule is essential for the program's operational stability and to secure your spot.

Payment Deadline

The payment deadline for the program fee is the 28th of the previous month. (E.g. If you are paying for July 2025 - Your program fee deadline is the 28th June 2025)

Please mark this date on your calendar and ensure payment is submitted well in advance to avoid any complications. Unless the full program amount was paid, in full, before the start of the relevant year's financial year. Thus this is a once off payment for the entire year/program.

Consequences of Late Payments

Late payments can disrupt program logistics and may impact your student's participation. A late payment fee of R200 or will be applied to any payments received after the deadline. Continued late payments may result in the student's removal from the program. We understand unforeseen circumstances can arise, so please communicate with us promptly if you anticipate any difficulty meeting the payment deadline. We're here to help! This program is a ministry based program and we believe that finances should NOT be a reason, to not be able to attend the program.

Exceptions to Payment

In rare cases of *documented* extenuating circumstances (e.g., severe illness, family emergency), we may consider a temporary payment arrangement. However, such exceptions are granted on a case-by-case basis and require formal documentation and approval from the program director/team leader. Please contact us immediately to discuss your situation.

What Your Payment Covers
